APOSTILE/AUTHENTICATION AGREEMENT

Full Name: _____

Address: _____

Phone Number: _____ Email: _____

By signing this agreement, you confirm and acknowledge that you are solely responsible for the authenticity of the presented document and for any errors or deficiencies in the event of notarization (unless the notarization was performed by me directly, as Notary Public - Giorgi Sebisko).

Fees are non-refundable if the California Secretary of State or the U.S. Department of State Office of Authentications refuses to process or apostille the document due to any error or deficiency.

The paid amount covers the full service, including the service fee, shipping, courier fee (if applicable), state or federal government filing fees, parking, and other related expenses.

In the event that a document is lost by USPS, the document may be tracked via the provided tracking number. Alternatively, you will be reimbursed $100 by me only if USPS successfully pays out the insurance claim for the lost item.

You understand and agree that documents may be dropped off and retrieved using a secure case with your assigned personal code. For security purposes, security cameras are in operation at the complex entrance and outside the unit.

Accepted payment methods include Zelle, Venmo, and PayPal. For credit or debit card payments, an additional 4% processing fee will apply.
